Mark your calendars for an event that is 150 years in the making--the OCC's 150th anniversary dinner.

Come commemorate the genius of President Lincoln in creating a federal banking system that includes nearly 2,000 national banks and federal savings associations today.

The OCC Alumni Association will host an OCC 150th anniversary dinner at the Washington Marriott at Metro Center, beginning at 7:30 p.m. (cocktail reception starts at 6:00 p.m.). All employees are invited (\$75 per person).
