

National Bank Examination Contracting Program (NBECP) Opportunities

Written by Administrator

Tuesday, 30 December 2008 14:40 -

The OCC awards contracts for examination services on an as needed basis to assist on examinations and other supervision related projects. Periodically, the OCC solicits Request for Proposals (RFP) from former bank regulators, other individuals with similar skills, and firms as required by acquisition statutes and regulations.

Individuals and companies with contracts are eligible for specific task orders. Geographical location, past performance and price are evaluated before a task is awarded.

All OCC RFPs for these contracting services are posted on <http://www.fedbizopps.gov> .
